**What's
Inside?**

RELATING TO OTHERS

Build your child's interpersonal skills by

- Modelling the use of friendly and polite phrases
- Providing opportunities for your child to share and take turns during playtime with other children
- Teaching them coping mechanisms (e.g. deep breaths) to enable them to manage their emotions.

DEVELOPING GOOD HABITS

Routines help children learn to manage themselves

Guide your child to do the following independently

- Keep to a regular bedtime
- Make healthy food choices
- Pack their bag
- Dress themselves
- Buying food at the canteen

Checklist

What's In Your School Bag?

Help your child develop the good habit of packing their bag before school. Chat about what goes in each day and how to check that they have everything they need. When they are ready, let your child try packing their bag on their own.

Here are some questions you can ask:

- What should you bring to school every day?
 No need to
 School bags
- Which books should you bring?
 Have you checked your timetable?
- Anything else?
 Have you checked your school bag?
 Have you packed your homework?
 Did your teacher say anything?

What should you bring to school on Mondays? Show the items in your school bag.

Practise

Let's Buy Food

Your child will need to buy food at the school canteen. Practising this at home will help your child feel more confident during recess.

Try out this dialogue, with you and your child switching roles. You may wish to take on the 'student' role first, to role-model the interaction.

Use real money to play it out.

Make sure to collect the right change!

FOODSTALL

chicken rice \$1	fishball noodles \$0.70	chicken burger \$1
fruit \$0.40	packet Miso \$0.70	sandwich \$0.30

Remember to eat your fruit - it's full of vitamins and tastes good!

Start

Let Me Do It On My Own!

What are some of the things your child would like to start doing independently?

Perhaps they'd like to study for a spelling test on their own. Or get up without your help in the mornings.

Have a chat with your kid and fill in the flags on the next page. When they achieve each milestone, reward them with a sticker and a big hug!

NURTURING POSITIVE LEARNING ATTITUDES

Developing the right learning attitude in your child will help them to transit smoothly into the learning routines in primary school.

CREATING A CONDUCTIVE LEARNING ENVIRONMENT AT HOME

Set up a conducive home environment so that your child can learn both at home and in school

- Learn English and MT through picture books, language games or songs.
- Set aside space in your home where your child can read and finish their homework.

SUPPORTING YOUR CHILD

- **Support** your child and encourage them to overcome challenges with you
- **Affirm** your child by recognising small successes and praising their efforts
- **Familiarise** your child by easing them into new routines and sharing with them your experiences in primary school
- **Empathise** and acknowledge your child's feelings

Supporting your child's transition through Primary 1

FAMILIARISE

- **Find out** what primary schools have in store for students these days.
- Do practical things to **ease your child into new routines**.
E.g. Plan daily routines together, teach your child new habits like packing his/her bag.

EMPATHISE

- **Teach** your child words that **describe feelings**.
- **Acknowledge** your child's **emotions**.
E.g. "It's okay to feel anxious about starting school."
- **Understand** your child's **needs**. E.g. Start bedtime early. Children need a lot of sleep.

*Form Teacher Guidance Period

Spend Time Chatting. Use T.A.D.

E.g. FTGP* activities; when he/she felt happiest.	Discuss Discuss together what can be done if he/she has worries at school. E.g. Explore how people deal with conflicts.
--	--	--

QUICK TIPS

- **Listen without interrupting.**
- Nod your head and **ask questions** to show interest and affirmation.

These tips may be used with children of other ages too, if depends on each child's needs. Using these tips as your child journeys through the school years can help ease anxiety and worries, and build warmer and closer relationships at home.
