**What's
Inside?**

RELATING TO OTHERS

Build your child's interpersonal skills by

- Modelling the use of friendly and polite phrases
- Providing opportunities for your child to share and take turns during playtime with other children
- Teaching them coping mechanisms (e.g. deep breaths) to enable them to manage their emotions.

DEVELOPING GOOD HABITS

Routines help children learn to manage themselves

Guide your child to do the following independently

- Keep to a regular bedtime
- Make healthy food choices
- Pack their bag
- Dress themselves
- Buying food at the canteen

NURTURING POSITIVE LEARNING ATTITUDES

Developing the right learning attitude in your child will help them to transit smoothly into the learning routines in primary school.

CREATING A CONDUCTIVE LEARNING ENVIRONMENT AT HOME

Set up a conducive home environment so that your child can learn both at home and in school

- Learn English and MT through picture books, language games or songs.
- Set aside space in your home where your child can read and finish their homework.

You can start talking to your child about the following:

**Adjusting to
a larger
learning
environment**

**Interacting
with more
peers and
teachers**

**Adapting to
longer school
hours and new
routines**

**Taking the
initiative to
ask for help**

**Becoming
more
independent
and
responsible**

SUPPORTING YOUR CHILD

- **S**upport your child and encourage them to overcome challenges with you
- **A**ffirm your child by recognising small successes and praising their efforts
- **F**amiliarise your child by easing them into new routines and sharing with them your experiences in primary school
- **E**mpathise and acknowledge your child's feelings

Supporting your child's transition through Primary 1

- **Recognise small successes**. E.g. Say "You've made another new friend in class - well done!"

FAMILIARISE

- **Find out** what primary schools have in store for students these days.
- Do practical things to **ease your child into new routines**.
E.g. Plan daily routines together, teach your child new habits like packing his/her bag.

EMPATHISE

- **Teach** your child words that **describe feelings**.
- **Acknowledge** your child's **emotions**.
E.g. "It's okay to feel anxious about starting school."
