Dear Parents / Guardians,

## **Weighted Assessments in Term 2 for P5**

Assessment is an important part of teaching and learning and helps provide useful information to your child, your child's teachers and you. Assessment is generally carried out for two main purposes:

- to measure students' attainment and report evidence of learning in different learning areas and;
- to support students' learning and classroom teaching.

Weighted assessment is just one of the multiple sources of assessment. The following are the schedule and the topics covered for the respective weighted assessments in Term 2.
